

### CONCERNED CITIZENS PROGRAM

Our Rangers are responsible for a program for reporting incidents here in the Village. If you're a property owner and would like to participate, you must complete the form below. Each person participating will be assigned a concerned citizen number. When you call the security line (646-3532) to report an incident, the only personal information you will give is your "cc number". You will not be asked for your name, address or phone number, unless you wish to be contacted by the Ranger on duty. No one will have access to the information on the concerned citizen form except the Chief Ranger. The information on the form will never be released to anyone for any reason. You, each resident in the Village, are our "eyes and ears" when it comes to crime prevention. Please, do not hesitate to get involved! Report any type of suspicious activity you may observe, whether you're home or "out and about". If it doesn't look right or seem right, it usually isn't! I wish to encourage all of you to register for this program. This in conjunction with the Neighborhood Watch program can make a difference in keeping Locust Lake Village a safe and secure place to live.
