

LOCUST LAKE VILLAGE
PROPERTY OWNERS ASSOCIATION
LLV SECURITY/EMERGENCY PLANNING COMMITTEE MEETING
Minutes
September 8, 2007

In Attendance:

Andy Gross Bob Williams
Paul Skipper

Sharleen Skipper
Sonny Messner

Open the Meeting – Call to Order by Andy at 9:40 AM.

The meeting started with discussion about the success of the recent ATV Rally. Thanks to Andy and Jim for all the work they did. All 33 participants enjoyed the comradely and giveaways. Next year's Rally will be after the August 2008 Board meeting.

Andy reviewed the August ranger highlights. There was an increase in the statistics because of the increase amount of activity and residents in the Village during the month. Citations also increased due to the activity. The good news is the increase in the money collected for all the violations. There was discussion about badge violations due to renters being caught using Property Owners badges at the amenities. An ATV that was stolen was recovered by Security. The fall schedule for patrols is being put into place. Historically, burglaries increase during the fall season and being proactive with our patrols helps keep the Village safer.

Sharleen shared the plans for the purchase of additional cots and supplies for the Emergency Supply Area. Our 2007 goal is to have accommodations for 20 people in the Chalet in the event it is used as an Emergency shelter. We have not received replies from all the communities for the Emergency Preparedness meeting scheduled for September 11th. Depending on the response this meeting may need to be rescheduled. Letters went out to both Tobyhanna and Coolbaugh Township requesting funding for additional CERT training. We should be on the October agenda for the Board of Supervisors meeting in Coolbaugh. We have not had any reply from Tobyhanna Township.

The following is the schedule for the Security/Emergency Planning Committee. All meeting will be in the Chalet at 9:30 AM.
