

LOCUST LAKE ARCHERY CLUB 2012 DUES NOTICE

Members we have had a great first year which included two super fund raising events, construction of the range, the purchase of our club trailer, several very successful shooting events, and all this was accomplished with your cooperation and support.

Interest in the archery club is growing more each day, and we look forward to your continued support. We urge all of our current members to renew their dues ASAP, and to encourage others to join that may be interested. The archery club has a lot to offer, and we look forward to a successful new year.

As a reminder the dues are \$25.00 per year per family. Dues membership forms can be downloaded from the club web site, and when completed with all of your contact information these forms can be sent to:
